### Narrabri Shire Sport, Recreation and Open Space Plan

Narrabri Shire Council is currently developing a Sport, Recreation and Open Space Plan. The Plan will provide a strategic framework for the management, provision and development of sport, recreation and open space across the Narrabri Shire and ensure there is a diverse range of sport and recreation facilities and spaces to meet the needs of the Narrabri Shire community now and in the future.

The Plan is a community document and will be developed in conjunction with ROSS Planning. As a community document, your input is critical to create an accurate snapshot and a basis for developing recommendations for the future.

The survey is currently available on Council's website and Facebook page. Hardcopies will also be available at Council's Administration Building, Narrabri Wee Waa and Boggabri Libraries and various other locations.

## SEARCH FOR SENIORS!

The Narrabri Library have an honour board for the Narrabri Senior of the Year award in their possession that requires updating. This award was run by Narrabri Home and Community Care and awarded at the annual Seniors Week celebrations in Narrabri.

Staff have tried to research previous winners with no success. Over 20 years worth of recipient names are missing from the board and it would be great if it could be updated so the information is not lost.

### *We need your help!*

The recipient names for the years 1995 through to 2015 are missing as well as 1990. If you know of anyone who has won the Narrabri Citizen of the Year award over that period of time please contact Council's Community Development Officer on (02) 6799 6865 or email [rosalyns@narrabri.nsw.gov.au](mailto:rosalyns@narrabri.nsw.gov.au)

Any assistance to help Council update this honour board would be much appreciated.

The Community Grants Fund provides an amount annually for community-focused projects, events and programs that directly benefit the Narrabri Shire community and address key themes in Council's Strategic Plans. The Community Grants Fund will open for application in late March for projects in the 2017/2018 Financial Year.
