## NARRABRI AQUATIC CENTRE

Winter Pool Hours are as follows;

**Weekdays:** 6.00am - 10.00am then 2.00pm - 6.00pm

**Saturdays:** 12.00noon - 4.00pm

**Sundays:** 12.00noon - 4.00pm

**Public Holidays:** Closed

During winter the pool water temperature is maintained at 28-30 degrees Celsius. There is heating in the concrete surrounds of the pool to keep your feet comfortable. The air temperature in the pool hall is usually around 26 degrees Celsius – so whilst outside might be really cold, once you're inside the pool hall it is quite comfortable.

Give it a go this winter!
