REMINDER TO ROAD USERS

With the continued wet weather, Council wishes to remind road users to keep up-to-date with road closures in their area. Road closures are updated daily during flooding and can be seen on Council's Facebook page, website, Narrabri Weather Network and via local radio.

Road users are reminded that;

- They may be liable for any damage that they cause to a road that is closed to their vehicle type.
- Travelling on roads covered with water is extremely dangerous and should be avoided.
- Road conditions can change without warning and drivers should travel with caution.
- Unsealed roads damage very easily when they are wet and only essential journeys should be undertaken until these roads dry out.
- Repairs to damaged roads are not usually possible until the roads and gravel stockpiles begin to dry out.
- Council prioritises repairs with higher trafficked roads usually receiving attention first.

PUBLIC NOTICES
