

# PAYMENT OF EXPENSES AND PROVISION OF FACILITIES TO COUNCILLORS

**Responsible Department:** Corporate Services  
**Responsible Officer:** Director Corporate Services

## Introduction

In accordance with the provisions of the *Local Government Act 1993* ("the Act"), Council is required to adopt a Policy concerning the payment of expenses incurred or to be incurred and the provision of facilities to Councillors in relation to discharging the functions of Civic Office.

Additionally, the Act requires Council to review the Policy Within the first 12 months of each term of a council.

## Policy Statement and Scope

The objective of this Policy is to ensure that there is accountability and transparency in the reimbursement of expenses incurred, or to be incurred by the Mayor and Councillors. The Policy establishes a framework, based on the requirements of the Act, for the payment of expenses and provision of facilities to the Mayor and Councillors.

The Policy provides for adequate, fair and equitable payment or reimbursement of expenses and provision of facilities to the Mayor and Councillors to enable efficient discharge of the functions of Civic Office.

This Policy applies to all Councillors of Narrabri Shire Council, including the Mayor.

In carrying out their civic responsibilities, Councillors are required to attend a variety of functions in their capacity as representatives of Council.

## Private Use of Equipment and Facilities

The Model Code of Conduct provides that Council resources must be used ethically, effectively, efficiently and carefully. Council property, including intellectual property, official services and facilities must not be misused by any person or body for private benefit or gain. Councillors must also avoid any action or situation that could create the appearance that Council resources are being used inappropriately.

If a Councillor uses Council resources for their own private use, payment is to be made to Council for such use.

It is acknowledged that some minimal use of Council resources may occur from time to time. Such minimal private use is not subject to compensatory payment back to Council.

Under no circumstances will Council permit the use of Council resources, facilities and equipment for the initiation or issue of election material/letters. Such use is highly inappropriate and could represent a breach of Council's Code of Conduct.

## **Payment of Expenses**

### **General Provisions**

It is expected that expenses will be incurred in the performance of Mayoral and Councillor civic duties. Accordingly, Council will provide reimbursement of approved expenses incurred in the performance of civic duties for the Mayor and Councillors.

No allowances or expenses other than those explicitly contained in this Policy are payable to the Mayor or Councillors.

The Mayor and Councillors must not obtain any private benefit under this Policy unless reasonable payment is made.

The Mayor and Councillors must not use any Council resource for political purposes.

Where it is appropriate for the Mayor or a Councillor to give a gift or benefit (for example, on a Council related business trip or when receiving visitors), these gifts and benefits should be of an appropriate value for the occasion.

### **Approval Process**

Reimbursement of expenses shall only be made upon the production of appropriate receipts and tax invoices and the completion of the required Expense Claim form.

Claims for reimbursement of expenses are to be lodged at the conclusion of each month.

A claim for reimbursement of expenses must be lodged within thirty (30) days of the end of the previous calendar month, on an Expense Claim form and lodged with the General Manager (or their delegate).

All reimbursement or advancement of expenses must be approved by the General Manager (or their delegate).

### **Dispute Resolution Process**

Any dispute relating to the administration of this Policy must be made in writing to the General Manager detailing the grounds for the dispute. Any such disputes will be referred to the next scheduled Ordinary Meeting of Council for determination and resolution.

### **Payments in Advance**

Requests for payment in advance may be made in the anticipation of expenses to be incurred in attending conferences, seminars, professional development opportunities or any service or facility covered by this Policy. Advance payment claims are to be submitted on an Expense Claim form.

Following the occurrence of the expense(s) reconciliation is required to be completed on the Expense Claim form including supporting tax invoices/receipts. The form should indicate the advance expense payment less actual expenses and any excess to be repaid or deficit to be reimbursed. Where an excess

of advance over actual expenses is recorded, cash or cheque repaying the excess advance must accompany the Expense Claim form when it is submitted.

## Specific Expenses for Councillors
