Objective

To provide a framework and set of guidelines for the implementation and suspension of designated areas where the drinking of alcohol is illegal, within the Narrabri Local Government Area.

Introduction

Narrabri Shire Council may from time to time, establish designated areas where it is illegal to drink alcohol in the Narrabri Local Government Area.

This can be enacted as an Alcohol Free Zone, created in accordance with section 644 of the Local Government Act 1993, on public roads and public car parks.

In other areas, eg parks, reserves and other public spaces, Council can make it illegal to drink alcohol by erecting a notice in accordance with section 632 & 670 of the Local Government Act 1993.
