

VILLAGE ROADSHOW

PILLIGA & GWABEGAR WE ARE COMING TO YOU

**Council Elections are coming up, what does this mean for you?
A new Delivery Plan is being developed and we need actions!**

Join us for a day aimed at building resilience in our community, featuring workshops and sessions designed to empower and inform:

 **Grants Writing Workshop:** Equip yourself with essential skills and knowledge to apply for grants, especially those crucial for future disaster recovery and community resilience. Hosted by Councils Community Recover and Grants officers.

 **Infrastructure Roundabout Q&A Session:** Get insights and answers from our Director of Infrastructure Delivery and managers from Roads, Water, Waste, and Open Spaces (Parks and Gardens).

 **When:** Wednesday, 29 May 10.00am – 1.00pm (Gwabegar)
1.00pm – 4.00pm (Pilliga)

 **Where:** Gwabegar Hall (Morning tea provided) | Pilliga Community Hall (Lunch provided)

Mark your calendars and be part of this initiative to strengthen our community's resilience.

Come Chat to us

PARKS & OPEN SPACES

- What is good about your community and town and how would Council infrastructure improve this?
- What infrastructure would improve a social community and their connectivity in outdoor meeting places such as parks and open spaces?
- What is the highest priority area you would like to see council concentrate their improvement in - Parks, cemeteries or open spaces?

ROADS

- Is there are any problem areas council should investigate, e.g. specific floodways, particular rough areas etc.
- Street sealing program, what are the priority streets?
- What is the highest priority area you would like council to concentrate their improvement on, eg. floodways, town street sealing?

WATER

- Water quality improvements done through air scouring and flushing programs?
- Is the community interested in water dispensers at town centres?
- Does the water network need expansion with the creation of reticulation links?

GENERAL QUESTIONS

- Which community services are lacking in your area?
- How satisfied are you with the level of communication Council currently has with the community? What form of communication works most effectively for this community?
- Do you feel that Council effectively communicates important updates and announcements to residents, particularly during emergencies or severe weather events?
- Do you feel that Council effectively addresses concerns related to waste management and recycling initiatives in the community?
