

BULK WASTE COLLECTION

Narrabri Shire Council offers two free scheduled Bulky Waste Collections each year. This service helps households dispose of large items that cannot fit into the wheelie bins and unwanted materials such as mattresses and e-waste. This service is only for residents with kerbside collection pickups.

COLLECTION DATES

NARRABRI TOWN & NARRABRI SHIRE VILLAGES

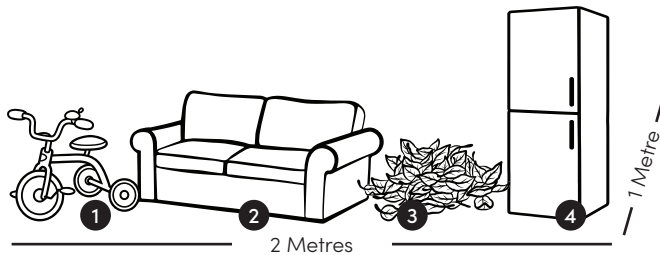

Bulky waste will be collected during the week of **Monday, 3 March to Friday, 7 March 2025** and the week of **Monday, 25 August to Friday, 29 August 2025**. Please place your waste outside on Monday mornings for collection at any time during the week.

WHAT TO DO

Step 1:

On the weekend before collection starts, separate and stack items into 4 piles on the kerb in a safe location that does not restrict pedestrians. When possible, sort your items by type of material. Only 2 cubic metres of waste per household is permitted. No items should be added to existing piles after 6.00am on your scheduled general waste bin collection day.

JR Richards & Sons will collect your bulky waste at any time during your scheduled general waste bin collection day.

Step 2:

Remove any items that still remains on the day after your general waste collection day, as it may be unsafe for others and can result in a fine.
